## May

### Welcome to the Keystone Community Newsletter.

May is here and so are the flowers. It has been a rainy 2 months but it's great for Michigan's farmers. Work on the creek wall has begun and it's anticipated that it will take a few weeks to complete. Parking is limited to the curb side. Sorry for any inconvenience this may cause. Keystone staff has been working hard to obtain donations for upcoming activities. If anyone has any ideas for solicitation or would like to get involved with our fundraising efforts, please talk with Brandi. Thanks to everyone who helped set up and clean up the Summer Party. Thanks to Teresa for washing the vast amount of dishes and pans.

### ANNOUNCEMENTS

We would like to include any announcements that you would like to share. Please let the staff know, or write it down on the calendar so we can include it in next month's newsletter. We always appreciate the help everyone at Keystone contributes. Please continue to do so.

*Happy Birthday
